Dimock Daily Report

Date: March 6, 2012

FIELD ACTIVITY

Water Supply (Gerald Heston)

- The delivery of water continues.

Water Sampling (Gerald Heston)

- The sampling originally scheduled for this morning will be rescheduled because the resident was in the hospital. One home will be sampled this afternoon. One additional home is scheduled to be sampled at noon on March 8, 2012.
- The Site Team continues to work on data validation and toxicology review in anticipation of data roll-out for the week of March 12, 2012.

As of noon on March 6, 2012:

Dimock Executive Summary							3/6/2012
Sampling Categories	Survey		Appointments				
	Surveys Received	Survey followup needed	Appointments Scheduled	to be scheduled	Splits with PADEP	Splits with Cabot	Sampling Done
CO&A List	20	1	20	1	6	5	18
Historical Sampling	44	2	44	3	35	35	40
Added on Criteria	1	0	1	0	1	1	1
Unaccounted	0	1	0	0	0	0	0
Subtotal	65	4	65	4	42	41	59
TOTALS	69		69				
*Unaccounted category includes homes that were sent certified letters due to disconnected phone - not counted in appointment to be scheduled. Also note that the discrepancy between Sampling Done and Appointments Scheduled is because some homes shared a well and only one home was sampled.							

COMMUNICATIONS (Helen DuTeau)

- The Community Involvement Coordinator (CIC) received an inquiry from Tom Wilbur of Blogspot requesting information about how/when EPA intends to roll out the data results to the residents/public. The email was sent to the Office of Public Affairs for follow up. The CIC also continues to receive questions from residents asking for their sample results.
- The final draft of outreach materials is being reviewed in anticipation of beginning residential data notification next week.
- The Region held a conference call with the Pennsylvania Department of Environmental Protection to discuss the status of activities and future coordination.

LEGAL ISSUES

- None reported

Please let us know if you have questions or need more information.
